	Neurological	Orthopedic	Pelvic Health	Pediatrics	Outpatient	Skilled Nursing	Home Healthcare	Adult Daycare	Oncology rehab	Does your outcomes system integrate with EMR(s)?	Currently Integrated with 0	Currently Integrated with 1-4	Currently Integrated with 5-10	Currently Integrated with 11+	Is your outcomes system embedded within a patient engagement tool?	Tools to relate outcomes to Clinical Practice Guidelines	Continuing Education Resources	Assist in Determining Patient Complexity Evaluation Code	Meet MIPS Quality Requirements	Integrates with at least 1 MIPS Quality Registry	Integrates with at least 1 MIPS Clinical Quality Data Registry (CQDR)	Does system risk adjust?	Does system allow for risk stratification?	Is Benchmark Reporting Included?	[Based on Risk Adjustment]?	Assessments of Individual Patient Status and Change	Comparing Risk-Adjusted Performance	Comparing Performance (not-risk-adjusted)	Predictive Analytics for functional change provided on the individual patient level?	Predictive Analytics for number of visits provided on the individual patient level?	System Creates Marketing Material and Images	System Integrates Marketing Package with Social Media	Native App or Mobile Optimized	Phone	Tablet	Email Assessment Option	Web-Based Automated System	Manual Entry (Pen and Paper)	Computer Adaptive Testing?	Indicates Amount of Clinically Relevant Change in Score?	Areas of measurement	2019 CMS Qualified Clinical Data Registry (QCDR)	2019 CMS Qualified Registry	Integrated with Physical Therapy Outcomes Registry (PTOR)	EHNAC certified	ONC Certified Health IT product	KLAS	Other	Vendor Comments
APTA Physical Therapy Outcomes Registry www.ptoutcomes.com	•	•	•	•	•	•	•	•	•	•	N/A	N/A	N/A	•		•	•	N/A	•	N/A	N/A	•	•	•	•	•	•	N/A	N/A	N/A	•	•	•	•	•	•	N/A	N/A	Physical Function?, Psychosocial Factors?, Pain?, Ability to add other PROs based on clinical need?	•	•	N/A	•	•		•	Be a leader in advancing patient outcomes with APTA's Physical Therapy Outcomes Registry. View dashboards, benchmark outcomes, and use data insights to market your practice—without added data entry. APTA's Registry integrates with over 10 EHR vendors.
CareConnections Outcomes Platform www.careconnections.com	•	•	•		•	•	•	•	•	•		•			•	•			•	•	•	•	•			•	•	•	•	•			•	•	•	•	•	Physical Function?, Speech?, Psychosocial Factors?, Pain?, Captures Work Loss Days?, Ability to add other PROs based on clinical need?			•					CareConnections is an outcomes optimization platform for practice management and value-based care contracting. Practitioners see real-time,risk-adjusted patient progress compared to national averages. Owners get comprehensive reports, including completed plans of care statistics, patient satisfaction, and net promoter score (NPS)—by practitioner and clinic. Use data to market to referral sources and the public. Bring data to negotiations with payers.
FOTO Inc. (Focus on Therapeutic Outcomes) www.fotoinc.com	•	•	•		•			•	•	•				•	•	•		•	•		•	•	•			•	•						•	•	•	•	•	Physical Function?, Speech?, Psychosocial Factors?, Pain?, Captures Work Loss Days?, Ability to add other PROs based on clinical need?	•						N/A	FOTO's predictive analytics outcomes management system captures and reports nationally benchmarked, risk-adjusted comparisons by company, clinic, and clinician over time to improve patient care and facilitate clinician growth. Patient-reported outcomes compare treatment effectiveness, efficiency, and satisfaction in real time. FOTO measures are NQF endorsed and recognized by CMS for Medicare compliance.
Keet Health www.keethealth.com	•	•	•	•	•	•	•	•	•	•	N/A	•			•	•			•	•	•	•	•			•	•	•					•	•	•		•	Physical Function?, Pain?, Ability to add other PROs based on clinical need?	•						N/A	Outcomes are just a pile of data unless you've designed a plan to use them. Keet gives you the opportunity to truly act on your patient-reported outcomes by integrating them into the patient experience. With Keet you'll not only be equipped to prove your value, you'll increase it.
WebPT www.webpt.com	•	•	•		•					•	•	•	•	•		•			•			•	•			•	•	•					•	•	•	•	•	Physical Function?, Pain?						•	N/A	Prove your value and enhance patient care with the only built-in patient outcomes tracking solution for physical and occupational therapists that offers both patient-reported and performance-based instruments.
