	•	•	•		•	•				•		•	•		•					•			•	•						•	OptimisPT, the only PT documentation software offering clinical decision support that provides evidence-based clinical guidelines, expert coding based on documentation in the clinical record, and compliance guidance from the leading experts in the industry to help reduce audit risk for your practice.		
			•			•				•					•																Planetrehab is comprehensive but easy-to-use practice management software designed for PT/OT that combines scheduling, treatment documentation, reporting, billing, and collections for single or multi-clinic therapy companies. We have an installed and a web version, and they can be used together.		
•	•	•			•			•	•	•			•		•	•							N/A	•		N/A					Integrated billing, scheduling, clinical documentation, and growth tools with Practice Perfect EMR software. PQRS/FLR, new CMS-1500 and ICD-10 ready. Integrated credit/debit card processing. No up-front costs or long-term contracts, only \$165 per month. Book a demo at www.practiceperfectemr.com.		
															•	N/A	N/A														PT Practice Pro offers a web based system that integrates billing, scheduling, reporting, and clinical documentation into an all-in-one EMR/practice management suite inspired by a simple "but elegant" vision for success: Automation, intelligence, and compliance.		
•	•	•	•	•	•	•		•	•	•	•	•	•	•	•	•	•	•		•	•		N/A	N/A			•		•	•	PTOS, from Patterson Medical, provides an integrated practice management solution, including billing, EMR/documentation, scheduling, electronic claims, and detailed management reporting, designed to improve the efficiency of your practice.		
N/A	N/A		N/A	N/A	N/A	N/A	N/A	N/A	N/A	•				N/A	•	•	•	•					•				N/A				Quick Notes is the leader in portable documentation and EMR. Portable touchscreen systems for iPad and Android tablet. PT/Rehab specific notes and templates. Integrates with billing/PM. Over 25 years supporting PT/Rehab. Easy to use, fast, and affordable.		
•	•		•	•		•				•	•	•	•		•		•				•		•								Affordable, flexible, fast, easy to use, and completely customizable system for scheduling, billing, and documentation. PQRS and Functional Reporting made simple. Specialized therapy libraries and templates built for your convenience. Accessible from any device. Billing services also available!		
•	•	•	•		•	•		•		•	•		•	•	•		•				•		•					•			ReDocWeb is specially designed for therapists and clinic owners to easily access ReDoc's widely accepted scheduling, billing, documentation, management, and compliance solutions. Each component of ReDocWeb is à la carte. ReDocWeb reduces denials and labor costs, and quality of documentation.		
•	•	•	•		•	•		•	•	•	•	•	•	•	•						•			•			•				"The Future of EMR" One, integrated database, including billing. ICD-10's faster than your ICD-9's today. The smartest, most comprehensive G-Code validation available. Patent pending, automated evidence-based defense. There is no faster, more compliant documentation. Outsource or in-house billing.		
•	•		•		•	•				•	•	•			•		•			•											Therabill offers a secure, HIPAA/HITECH compliant, web- based therapy billing solution, fully integrated with scheduling and free EMR, for sole providers and multi-site locations. Submit claims electronically, manage insurance and client billing/payments, create documentation templates and reports.		
	•						•			•	N/A	N/A	N/A		•															•	TherAssist is an ideal scheduling, documentation, billing, and administrative solution for multisite or multidiscipline practices looking to automate and centralize services with one program. TherAssist is available for use online or for installations on private network servers.		
•	•	•	•	•	•	•		N/A	N/A	N/A	•	N/A	•	•	•	•	N/A			•	•			•				•		•	Therapy OnDemand® is our cloud-based practice management solution; it requires only an Internet connection for your laptop, PC, Mac, or tablet. Get the flexibility and functionality of TherapySource software for one monthly price—at the lowest total cost of ownership.		
	•	•						•		•			•	•	•		•				•			•			•	•	•	•	With more than 30,000 customers and 5,500 clinics, WebPT is the leading EMR for PTs, OTs, and SLPs. We have a 99.3% customer retention rate and 99.9% uptime rate. We're also entirely web-based, which means therapists can document, schedule, and bill anywhere, anytime.
