•		•	•	•	N/A	•	•				•	•	•	•	•	•	•	•	•	•	•	•	Atlas continually seeks "Providers" across the United States to 1) assist us in delivering Atlas services in local markets and 2) to distribute our technologies and services to local business clients. This business relationship can extend your local business opportunities to a national reach and it is FREE; we simply want to co-generate revenues with our network partners.
•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	BTE Workforce Solutions is the premium brand in Prevention, Recovery, and Return to Work. Fortune 500s and leading Workers Comp insurers trust BTE's unrivaled processes, technology, and expert Clinical Provider Network. For the best outcomes in Post Offer Employment Testing, FCEs, Physical Demands Analysis, Ergonomic Assessment and Training, BTE OnSite Early Intervention and Therapy, Fit for Duty, and Return To Work. Call us today to learn how your clinic can grow and succeed - with BTE.
•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	DSI is a nationally recognized leader in occupational programs and provides the framework for you to assist employers with world class work injury prevention and work injury management strategies. Assist employers by developing Job Function Descriptions, Ergonomic Opportunity Reports and Job Function Tests. Provide testing services including Post Offer, Return to Work and Functional Capacity. DSI's computer and web based software streamlines the process. Receive unparalleled customer support.
•		•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	ErgoScience helps clinics achieve clinical and business goals. Our research-based testing creates defensible results. Customer Service provides the answers when they're needed. Our software creates reports in minutes, saving hours of work. Our assessments help practice owners grow their practices, expanding services to employers, physicians and carriers in local markets. Provider Network members receive 10,000+ referrals a year from our national employer clients and disability carriers.
•		•	•	•	•	•	•	•	N/A	•	•	•	•	•	•	•	•	•	•	•	•	•	KEY= Industrial Therapy VALUE covering employees throughout their life and work. Prior-to-hire, Health Worker, FML Return, Work Injury return and more. KEY establishes industry relationships for KEY Providers. Mobile equipment; immediate report generation; user-available DataBank for marketing, legal support, therapist QC; legally defensible, statistically based participation determinations. Your KEY to Industrial Therapy!
•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	OccuPro offers the fastest Functional Capacity Evaluation Software on the market, the only Return to Work Software available to private practices that significantly increases revenue for your practice and the most advanced Post Offer Employment Testing software available. OccuPro's Return to Work or Stay at Work continuing education courses can be taken live in person, live interactive webcast or immediately as an on demand course. Sign up today.
•		•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	The WorkAbility Systems FCE method is designed for mobile service to clinics or work-sites. WorkerFIT is a searchable cloud platform for analysis and communication of functional job demands, fitness-for-duty exams and accommodation options. The factors and scales in WorkerFIT may be customized to meet employer or provider preferences for job match taxonomies. Consultants may create job-specific worker fitness exams that link to standardized provider instructions to promote exam consistency.
•		•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	WorkSTEPS is the largest provider of standardized, pre/post-offer, fit-for-duty, FCE and upper quadrant/carpal tunnel tests through their national network. The system was developed to meet a critical need of employers for a medically safe, legally compliant/defensible, and scientific means of matching a worker's functional capabilities with the essential functions of the job. These tests are delivered to 2000+ employers nationwide.
•		•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	Training in WorkWell's evidenced based solutions for matching workers and work allows you to provide leading edge prevention, early intervention and return to work services. Providers receive unparalleled support, web based software tools and core business opportunities with FCE, PWS and WorkFIT referrals, now including physical and occupational treatment referrals under WorkWell Prevention and Care. Become a "Certified" WorkWell Quality Provider and grow your business.
